

48Hours Checklist

Before the shoot weekend:

- We have registered our team and received the confirmation email
- We received our password for our 'online wrap-up form'
- We have our team ready
- We have a Health and Safety plan
- We have tested our equipment
- We have snacks
- We know how to watch the online launch

During the shoot weekend:

- We have made a film and it includes the genre and all the requirement elements in the film
- The file output settings have been tested, and there is render time
- Our film is the correct length
- Credits include "Made as part of 48HOURS 2026"
- We have output the file and it includes:
 - The team intro of any length less than 20 seconds (optional)
 - The title card
 - The film
 - 5s of black
- We have logged into the online portal and are uploading the film
- We have time to do a backup link and MD5 code
- We have read the [film submission](#) website page for all the details
