

FAQs:

How do I log in?

*You will be emailed an official 48H log in that will allow you to access and download our music for the duration of the competition.*

How do I search?

*Type keywords in the search bar and hit enter. You can search multiple words to reflect the mood, instrumentation, genre, etc. You can also search a specific track, album or label. Select “fine-tune your search” to search within results.*

How do I audition a track?

*Click the center of the album cover to audition a track. If you like what you hear, click on the corner of the album cover to view the entire album.*

Are there curated playlists to browse through?

*Yes! Select “PLAYLISTS” located on the left-hand navigation bar. Here are some of the many we offer [Tension](#), [Weird & Wonderful](#), [Drama](#), [Sci Fi](#), [Horror](#), [Love](#). You can also browse via the other icons to help get you started. These include: MUSIC FOR, GENRE, MOODS, LABELS, INSTRUMENTS & ALBUM STYLE. Select the green arrows within these icons to expand even further!*

Can I download in different formats?

*Yes, we offer AIFF, WAV and MP3 formats.*

Are there instrumentals and stripped-down versions available?

*You can find these options in the “VERSIONS” tab on the right-hand side. We also offer various 30s and 60s versions.*

Is there a way to find similar tracks?

*When viewing an album, there is a “similar” option above the track list – this will take you to similar albums. There is also a “view similar” option for individual tracks.*

Can I share tracks?

*You can share a link to the track via the share icon on the right-hand side. To share an entire album, select the share icon underneath the album cover.*

Can I still use the music after the competition?

*Access and downloads are only available for the duration of the competition. If you are interested in using our music outside of the competition, please register for an account via [www.westonemusic.com](http://www.westonemusic.com).*
