

FAQs:

Don't forget to check out the online manual for a more in-depth overview of how to use the website.

How do I log in?

You will be emailed an official 48H login that will allow you to access and download our music for the duration of the competition.

How do I search?

Type keywords in the search bar and hit enter. You can search multiple words to reflect the mood, instrumentation, genre, etc. You can also search a specific track, album or label. Select "Fine-tune your search" to search within results.

How do I play a track?

Click the center of the album cover to play a track. If you like what you hear, click on the corner of the album cover to view the entire album track list

Are there curated playlists to browse through?

Yes. Select "PLAYLISTS" located on the left-hand navigation bar and we have added some curated playlists under PROJECTS to get you started. You can also browse via the other icons to help get you started. These include: MUSIC FOR, GENRE, MOODS, LABELS, INSTRUMENTS & ALBUM STYLE. Select the arrows within these icons to expand even further!

Can I download in different formats?

Yes, we offer AIFF, WAV and MP3 formats.

Are there instrumentals and stripped-down versions available?

You can find these options in the "VERSIONS" tab on the right-hand side. We also offer various 30 and 60 second versions.

Is there a way to find similar tracks?

When viewing either an album or an individual track there is a "match this" button– that will take you to similar sounding albums or tracks.

Can I share tracks?

You can share a link to the track via the share icon on the left-hand side. To share an entire album, select the share icon underneath the album cover.

Can I still use the music after the competition?

Access and downloads are only available for the duration of the competition. If you are interested in using our music outside of the competition, please register for an account via www.westonemusic.com.
